Jocelyn Frierson

To Whom It May Concern:

I am honored to write a letter of recommendation on behalf of Jocelyn Frierson. In working with Ms. Frierson as her University Supervisor for California State University San Marcos (CSUSM). Ms. Frierson completed her training in a comprehensive high school setting, teaching Specialized Academic Instruction (SAI) and a working in a co-teaching environment.

Ms. Frierson advanced her instructional abilities throughout the course of the clinical practice by reflecting on her lesson plans, instructions, and behavioral management plan. Ms. Frierson developed lessons that allowed students to be engaged in learning and take an active role in the learning process. Ms. Frierson demonstrated a good rapport with students. She developed a trusting classroom environment, where all students understood her expectation of maintaining a respectful atmosphere.

Ms. Frierson became comfortable with the IEP process and was proactive in working with students and parents to develop compliant and effective IEP's. Ms. Frierson displayed professionalism while working with students, parents, and colleagues. She exemplified qualities that administration values.

It is truly a great pleasure working with Ms. Frierson. It is without hesitation that I recommend Ms. Frierson as a candidate for an education specialist position. Please feel free to contact me if I can be of further assistance.

Sincerely,
