To Who It May Concern,

My name is Melanie Coyne. I teach a Mild to Moderate Special Day Class in the Fullerton School District and I am writing this letter of recommendation for Jocelyn Frierson.

Jocelyn has been an Intern in my classroom for two semesters (2014-2015). She has always come to my classroom with a positive attitude and a willingness to observe and work with students in a variety situations. She is cooperative with staff in the classroom as well as throughout the campus.

Jocelyn has worked well with students who have a variety of disabilities. The disabilities have ranged from Speech and Language Impairment, Intellectual Disability, and Autism. She has lead academic groups with these students in math, language arts, and social skills.

I feel Jocelyn has the ability and maturity to successfully complete the teacher credential program at your university. She will be an outstanding asset to your program and the staff and students she will work with in the future.

If you have any questions please feel free to call me at (714) 447-7745 or email me at [Melanie\\_Coyne@fullertonsd.org](mailto:Melanie_Coyne@fullertonsd.org).

Sincerely,

Melanie Coyne
